PENALTY SOCCER

This is the last chance your team has to win. it all rests on you - the GOALIE. The top strikers in the world are going to be taking penalties against you.

Are you quick enough off the line to make the "SAVE."?

Can you take your team to the winning box ?

- Random goals in vector curves - Which corner will they aim for ?
- 10 increasingly difficult levels as you play against the computer. - It's determined to win !
- Choose your opponent from the top strikers of the world.
